Dear fellow members of Streetsville United Church,

April 24, 2020

You can make a difference. Pathway needs your membership!

Pathway is one of UCM's major social action and outreach initiatives. Founded over 30 years ago, Pathway has become Peel Region's largest non-profit, non-government affordable housing development. There are 3 faith-based partners: Solel Congregation of Mississauga, Streetsville United Church, and Unitarian Congregation in Mississauga.

Your membership and support in Pathway ensures over 200 families have decent and affordable housing here in Mississauga. If you make a separate contribution to Pathway Community Programs, you will also be supporting breakfast programs and activities for the children of these families.

We can all be proud of our Pathway effort. There have been many success stories among Pathway families who have worked hard to improve their situation in life so they no longer need government rent subsidies. Additionally, our buildings have become a hub of community activity. Check out the Pathway web site at <http://www.pathwayhousing.ca> to get all the details of your congregation's support of Pathway, its history and activity.

Please join with us to become a Pathway Member for this year. Becoming a member entitles you to vote at our annual meeting to be held May 21st. Your membership **does not mean** that you automatically become a volunteer at Pathway, unless you want more involvement with this inspiring initiative.

Please help Pathway today by completing and returning the form on the back of this letter, together with \$10 per membership. We also welcome larger contributions. Because of our status as a corporation, **we cannot offer tax receipts.**

Also, you are invited to join and donate to Pathway Community Programs whose programs help many tenants and neighbouring children.

Thank you for your support from your Streetsville United Team:
