Call to Worship

As summer approaches, we realize afresh that God has given us this beautiful earth, and all that grows and lives upon it.

We gather in thankfulness for this marvellous gift.

God has also given us the breath to live and the spirit to sing.

Our gratitude fills us this day.

God has gathered us into a community of care, support and service.

We offer, now, our love, thanksgiving, service and praise.

Opening Prayer

- **Hymn VU 373** *As Comes the Breath of Spring*

Prayer of Self-examination

You search us, O God, and know our hearts;

you examine us and know our ways;

you see our needs before we ask,

and our yearnings before we speak.

We long for release from things which tempt or possess us,

from habits which isolate or hurt us,

and from attitudes which diminish or alienate us.

We want to be a people whose words bring comfort and hope,

whose friendship brings wholeness and joy,

and whose faith empowers and inspires.

Speak to us again your word of love and forgiveness,

that we might forgive ourselves and each other,

serve as we are able, affirm your gifts within us,

and be renewed as confident disciples.

We ask this through Jesus Christ.

Sung Dismissal *Go Now In Peace* Don Besig

Go now in peace, never be afraid,

God will go with you each hour of every day.

Go now in faith, steadfast, strong and true.

Know He will guide you in all you do.

Go now in love and show you believe.

Reach out to others so all the world can see.

God will be there watching from above.

Go now in peace, in faith, and in love. Amen.

Postlude *Faith of Our Fathers* arr. Cindy Berry

138 MV My Love Colours Outside the Lines

(Boomer Band Selection)

My love colours outside the lines,
Exploring paths that few could ever find;
And takes me into places where I've never been before,
And opens doors to worlds outside the lines.

My Lord colours outside the lines,
Turns wounds to blessings, water into wine;
And takes me into places where I've never been before,
And opens doors to world outside the lines.

We'll never walk on water if we're not prepared to drown,
Body and soul need a soaking from time to time.
And we'll never move the gravestones if we're not prepared to die,
And realize there are worlds outside the lines.

My soul longs to colour outside the lines,
Tear back the curtains, sun, come in and shine;
I want to walk beyond the boundaries where I've never been before,
Throw open the doors to world outside the lines

We'll never walk on water if we're not prepared to drown,
Body and soul need a soaking from time to time.
And we'll never move the gravestones if we're not prepared to die,
And realize there are worlds outside the lines.

My soul longs to colour outside the lines,
Tear back the curtains, sun, come in and shine;
I want to walk beyond the boundaries where I've never been before,
Throw open the doors to world outside the lines.
